

CHROME SLT®

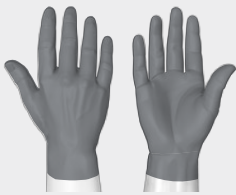

5071

Designed with durability, the Chrome SLT® 5071 goatskin leather driver is your go-to glove in dry and oily conditions where additional heat protection is required.

The 5071 features our premium leather with our exclusive industry-leading OilGuard®+ technology to deliver heavy-duty, long-lasting oil resistance. It's TSCA compliant, lightweight, and ready to work right out of the bag – no break-in needed. With unsurpassed dexterity and excellent resistance to hazards, this glove combines traditional style with a combination of cut, contact heat, arc flash, and more – perfect for the toughest jobs.
